Our Vision for XILERATE™

More than just an energy supplement;

A commitment to redefining energy drinks for a new generation that values wellness, sustainability & genuine vitality.

XILERATE<sup>™</sup> offers an innovative solution for those who seek a healthier path to feeling energized & focused.

## **XILERATE**<sup>TM</sup> Redefining Energy Drinks

XILERATE<sup>™</sup> is a groundbreaking, clean energy formula designed to support optimal wellness, mood, and longevity.

Our Formula answers the Demand for Healthy Energy by those who seek sustained energy without artificial ingredients with a blend that is rich in antioxidants, adaptogens, & essential nutrients. Every ingredient was chosen to nourish & energize.

The fusion of GABA, Green Tea Extract, Ginseng, & Gotu Kola provides not just energy, but also mood support, helping to ease stress & enhance focus. This combination supports calm alertness, with adaptogens that nourish the body's response to stress.

XILERATE<sup>™</sup>'s carefully selected, Synergistic Ingredients like Mangosteen & Apple Extract provide potent antioxidants that combat cellular aging, allowing for a revitalizing, Anti-Aging and Longevity experience at the cellular level. B-Vitamins support natural energy metabolism.

Unlike traditional energy drinks that may lead to overstimulation, XILERATE<sup>™</sup>'s carefully balanced formula promotes sustained energy without the crash. Ingredients like GABA ensure a steady energy release, which enhances daytime focus and supports better relaxation in the evening, contributing to restful sleep & a happier overall mood.
